## STATEMENT OF PURPOSE

The *Proceedings* was established by the Society for California Archaeology in 1988 to promote public dissemination of recent archaeological investigations in California. The *Proceedings* provide a publication outlet for the papers presented at the SCA Annual Meetings. All papers presented at the Annual Meeting are eligible for publication. The *Proceedings* are published annually, thus ensuring prompt publication and dissemination of research results and commentary relating to California archaeology. Individual papers are published as received, without formal peer review, except as required by the *Proceedings* editors to ensure conformance with the established style requirements.

Subscription is by membership in the Society for California Archaeology. Membership information may be obtained from the SCA Business Office.

## INFORMATION FOR CONTRIBUTORS

Authors should submit manuscripts both as hard copy and electronically. The *Proceedings* will not publish information that has appeared in the Society's *Newsletter*. The deadline for submission is August 1<sup>st</sup> following the Annual Meeting. Manuscripts should be submitted to the *Proceedings* editor at the address listed in the SCA Newsletter.
